To whom it may concern

I highly recommend Tudor Bucataru as a high school teacher. As head of the English Department of Aixa-Llaüt School, I have had the pleasure of working with Tudor in 2020. He is a driven, organised teacher who worked hard in order to prepare some of our students for the Oxford Test of English.

Tudor was always driven to develop his skills as a teacher. He came to us as a language assistant through Meddeas, eagerly taking up his responsibilities. I'm sure Tudor will embrace any opportunity for professional development, which makes him an ideal candidate for a position as a teacher.

Tudor has a wonderful rapport with people of all ages. His ability to connect with his students and with the rest of the teachers made him an asset to our school.

Tudor accomplished all his tasks with great initiative and with a positive attitude.

I recommend Tudor without reservation. If you have any further questions, please do not hesitate to contact me.

Yours faithfully,

Rainier Boshoff
